* depending on the version

Hand mixers Xo-R

- The proven mixer programme with even more power for the best work results.
- Maximum output thanks to the high-performance gearbox and motor
- Sensitive speed development via electronic switch
- More functionality in operation, such as the practical rubber buffers for setting it down gently
- The Xo-R helps support your back while working due to its adjusted working height
- No unintentional starting thanks to the electronic safety switch
- Work fatigue-free thanks to the comfortable handles
- Easily change the paddle using the HEXAFIX quick coupling
- Sturdy, even in the toughest conditions
- Optimal mixer results due to the use of the appropriate mixer geometry
- 3-year warranty (by registering)
