Part of the Power X-Change family, the Einhell Professional cordless paint and mortar stirrer TP-MX 18-2 Li BL Solo is the perfect device for mixing concrete, plaster, levelling compound, mortar or paint. The low-maintenance brushless motor and 2-speed transmission ensure maximum performance. The cordless stirrer is equipped with a speed control to adapt to the consistency or degree of hardness of the mixture. The softstart avoids paint splashes and the swirling up of powders. The ergonomic handle with softgrip ensures a comfortable grip. The stirrer adapter is equipped with an M14 thread. Delivery includes a stirrer (Ø 120 mm) and an open-end spanner. Delivery does not include battery or charger.
